PRESS RELEASE

Place of Hope – Christ Fellowship

Palm Beach Gardens, FL, - - - - Mary Petron, ASID, of The Uncommon Designer, Inc. has received praise and thanks from the Place of Hope [affiliated with Christ Fellowship – Palm Beach Gardens] for the work recently completed on the cottage style housing that is considered a national model for foster care.

Two of the cottages are products of a design team that included Hernacki Engineering, City Furniture, and **The Uncommon Designer**, of Palm Beach Gardens.

Mary Petron, an honor graduate of the New York School of Design, is a professional member of ASID, a Florida licensed Interior Designer, NCIDQ certified, an allied member of the American Institute of Architects. She has been listed in the “International Edition” of *Who’s Who in Interior Design* since 1985. Prior industry awards and recognition of Petron includes credit in *Florida Design*, *Architectural Digest*, *Florida International*, *Better Buildings*, and *the New York Times*. Petron worked for several designers in the Palm Beaches. Afterwards, Petron opened **The Uncommon Designer, Inc.** located in The Shoppes on the Green in Palm Beach Gardens, where she carries many lines of fine furniture, as well as accessories such as wallpaper, high-end fabrics, window treatments and artwork.
